PERSONAL AND CONFIDENTIAL

SUBJECT: RICKZY LEWIS
Alabama-Florida Council

Dear Hoyt:

I received a telephone call from your office last November, related to the above named individual. It was indicated that he had been convicted of sexual molestation in 1985, and was now out on probation.

I have written to the council three different times, and have had no response related to my communication. We really need a confidential record sheet, court records, or newspaper clippings which will substantiate this situation. We would then be able to establish a confidential file.

Would you please see if you can get some material for us in order to complete this file and protect the youth of America.

Sincerely,

Paul Ernst, Director

Dear Bob:

We received a telephone call from the Southeast Region in November, indicating that the above-named individual had been convicted of sexual molestation. We wrote to you in December, and again in February, and still have not heard from you related to this. We really need newspaper clippings or copies of the court record which will substantiate these charges and the conviction.

I am enclosing another Confidential Record Sheet which I would like to have completed. This will give us the information necessary to identify Mr. Lewis should he attempt registration in another location. Please also send us a copy of an application with his signature as this aids in the identification process.

Please let us know if we may be of any help to you.

Sincerely,

Dear Bob:

I wrote to you on December 9 concerning the above-named individual. At that time, I indicated that the Southeast Region had told us that he had been convicted of sexual molestation in 1985.

I am enclosing another Confidential Record Sheet which I would like to have completed so we may identify Mr. Lewis. We also would like a copy of an application with his signature if you have this available. This aids in the identification process.

We must have some substantiation of the previous actions and conviction. Newspaper clippings or court records will help to substantiate this. I am sure that some member of your board can secure these for you.

Dear Bob:

We received word through the Southeast Region that the above-named individual had been convicted of sexual molestation in 1985. We feel that this is serious enough that we should place him on the confidential file and refuse any registration applications.

I am enclosing a Confidential Record Sheet which I would like to have completed so we may identify Mr. Lewis. Please send a copy of any application which has his signature as this will aid in the identification process.

We would also like newspaper clippings or copies of the court record to substantiate his conviction. This would then be a complete file which would enable refusal of registration at any time in the future.
